## ***San Diego Experience & Youth Makes For Solid Season***

The University of San Diego Swimming and Diving program returns in 2007 with a strong class of freshman as well as a powerful core of upperclassmen. Head Coach Mike Keeler added two new coaches to his staff in order to improve the overall performance of the team. The Toreros return 15 athletes this season having lost only four seniors last year. Keeler and his staff brought in seven new recruits for this upcoming season. Joy Miller and Brittany Cramer have been named the captains for the 2007-2008 season.

Seniors Joy Miller and Claire Altenau will be leading the senior class this season. Altenau struggled through injury last season swimming periodically, and then was handicapped at the WAC championship due to illness. However, during the off season spent time battling back and is healthy for the upcoming season. Joy Miller will also play a key role in the relay, the individual medleys, and her specialty the butterfly.

The junior class, consisting of Brittany Cramer, red-shirt sophomore Sarah Gleason, Samantha Jafari, and Erin Voyles will back up the seniors. Cramer will play a strong role in the backstroke and the butterfly. While Gleason and Jafari will tackle the distance races of the 500, 1000, and 1650 yard contests. Voyles will play an important role in the sprints including the middle distance freestyle and the 100 yard freestyle.

**Mike Keeler With Seniors Joy Miller and Claire Altenau.**

The nine sophomores on the team this year show great promise in the present as well as the future of Torero swimming. Adelaide Bednarski will lead the divers this season after a strong showing her freshman year. Kristen Yoon, Laura Pope, and Kristina Levesque will play key roles in relay events as well as the individual freestyle races. Michon Affinito and Alyssa Martinez are slated to post solid times in the breaststroke. Aileen Fedrick, Kelly Griffith and Rachael McKay will record firm times in the backstroke, freestyle, and relays for USD.

The incoming freshman class of seven promises to be one of the best recruiting classes Keeler has brought to USD. Helping out Bednarski in diving will be Amy Bogart, Michelle Griswold, and Monica Oddo, all of whom have diving experience from high school. Katie Kiefer joins the team in her first year as a distance swimmer for USD, while Haley Pittman will specialize in the breaststroke. Taryn Van Gerpen will also swim distance as well as the individual medley.

In addition to the new freshman, Keeler brought in two new coaches. Amanda Kline joins the staff and will focus on the diving program. A four-year scholarship athlete from Seton Hall, she graduated in 2001 with a degree in Biology. Also new to the staff is Jamie Jackson who will assist Coach Keeler on the swimming side of the team. Jackson, an '05 graduate of USD, was team MVP and a member of the inaugural season San Diego joined the Western Athletic Conference. Finally, helping out in a voluntary role will be Meghan Peter, who graduated in 2007 with two years swimming experience at USD.

The timetable this season will consist of a strong non-conference line-up which include opening against the UCLA Bruins on the road. They follow that trip with back-to-back trips to the Los Angeles area for the UC Irvine Big West Shootout and the new Nike Cup event. A select number of athletes will be chosen to represent the Toreros at the US Swimming Short Course nationals in Atlanta, Georgia. Then open up conference against Northern Arizona at home followed by their final home meet against Boise State in early January. They finish the season with three meets on the road against crosstown rivals UC San Diego and San Diego State, as well as a trip to Loyola Marymount before the WAC Championship meet in San Antonio, Texas.

## Head Coach Mike Keeler - 10th Season

Mike Keeler has done a remarkable job at USD in the development of San Diego's swimming and diving program since taking over as the Toreros head coach in the fall of 1998. Spanning ten complete seasons, Keeler's student-athletes have shattered virtually every school record. Under his guidance the Toreros won back-to-back team titles at the Pacific Collegiate Swimming Conference Championships (2000 & 2001) and made the school's first-ever appearance in the NCAA Championships (2003) - setting the table for San Diego's successful bid for membership in the Western Athletic Conference (WAC) in 2005.

Keeler, a two-time PCSC Coach of the Year, has a track record of recruiting and developing outstanding student-athletes. In USD's six seasons in the PCSC under his direction, 10 different Toreros established conference records while 30 were recognized as all-conference performers. In 2003, USD placed 38th nationally at the NCAA Championships behind the efforts of then-freshman standout and All-America honorable mention Ashley Swart.

Prior to USD, Keeler served as assistant men's swim coach at Purdue University in Indiana for five seasons. Keeler held assistant swim coaching posts for the women's swimming program at Purdue (1993-94), similar men's and women's positions at the University of Miami (1991-93) and at Michigan State (1988). Through the 1989-91 seasons, Keeler was the assistant men's coach for Michigan State.

Throughout his extended collegiate coaching career, Keeler has recruited and trained men and women who have scored as high as third at the NCAA Championships. At Purdue, Keeler assisted in coaching the Boilermakers to a 34th place finish at the 1998 NCAA Championships with five individuals being awarded All-American honors. At the 1997 NCAA Championships, the team placed 19th with four All-Americans and four championship finalists. At the conference level, in a four year span, Purdue produced 12 Big Ten Champions, 55 Academic All-Big Ten honorees and eight national academic All-American recipients.

Besides his collegiate coaching experience, Keeler worked as camp director and guest speaker at the Elite Olympic Development Camp at the Olympic Training Center in Colorado Springs; Co-Camp Director at Michigan State (summer, 1993); head senior coach for Hurricane Aquatics (summer, 1992); and as head coach for the Spartan Swim Club (summer, 1989).

A 1984 graduate of Central Michigan University, Mike earned his B.S. Degree in Physical Education. He went on to earn his M.S. degree in Physical Education, with an emphasis on Coaching and Athletic Administration, at Michigan State in 1992. He is currently a member of the United States Swimming, College Swim Coaches Association, and the American Swim Coaches Association. He was the lead-author of "Biomechanical Analysis: Stroke Frequency/Velocity Testing Protocol", an article that appeared in the United States Swimming Magazine "Coaches Quarterly." Mike and his wife Michele have three children, Matthew (17), Mitchell (13) and Mayce (12).

### Assistant Coach Jamie Jackson

Jamie Jackson returns to the University of San Diego just two years after graduating. During the last two years, Jackson spent time coaching at her Alma Mater Long Beach Wilson High School and for the Beach Swim club team. A member of the class of 2005, Jackson swam for four years under head coach Mike Keeler. She graduated with a degree in Psychology and minored in Theology. During her time as a Torero, she was named USD's MVP twice and was elected captain during her junior and senior year. As a freshman and a junior, she was named an All-PCSC First Team selection. Jackson returned to San Diego because of her love for the University of San Diego.

### Assistant Coach Amanda Kline

Diving coach Amanda Kline joins the USD Swimming and Diving team in her first year with the program. Kline's Responsibilities will include overseeing the diving practices and attending swim meets to coach her athletes.

Kline was a four-year scholarship athlete diving for Seton Hall University from 1997-2001. She was the first diver to do a full optimal pike list on a 1-meter board as well as the 2.5 list on the 3-meter board. Kline was a four-time Big East Conference female qualifier and a three-time Zone A qualifier for NCAA regional's. She was also a three-time Big East Conference All-Academic team member.

Following her graduation, she spent one year as an assistant diving coach at SHU while working at a local hospital in the administrative office. In September of 2002 she joined SAIC as an Animal trainer for the Marine Mammal Training Program working closely with dolphins that assist the U.S. Navy in under water operations.

Kline graduated Magna Cum Laude from SHU in South Orange, New Jersey with a Bachelor's of Science degree in Biology. She currently resides in San Diego.

### Assistant Coach Shawna Ghausi

Shawna Ghausi returned to USD, hired as the Toreros' top assistant in 2003-04. Ghausi had previously held a similar position at USD during both the 2000 and 2001 seasons, helping San Diego win back-to-back PCSC Conference Championships. Her coaching experience includes serving as an assistant at Rice in 2002 and more recently as the assistant water polo coach at UC San Diego in 2003. Originally from Turlock, California, Ghausi graduated from UCSD in 1998 after obtaining degrees in both Philosophy and Psychology. Ghausi was a record-setting swimmer at UCSD. Along with earning three varsity letters swimming for the Tritons, she was part of a UCSD water polo team that won the 1994 National Championship.

### Undergraduate Assistant Coach Meghan Peter

As a senior, Peter held the top time in the 100 freestyle (52.29), the 100 breaststroke (1:05.17), the 200 breaststroke (2:22.02), and the 200 individual Medley (2:09.65). She had the second best time in the 50 freestyle and the 100 Butterfly. She also was part of the top time in the 200 free relay, the 400 free relay, the 200 medley relay, and the 400 medley relay.

A transfer from Santa Rosa JC ... is part of the top times list in ten different individual and relay lists ... Took second place in her first appearance as a Torero against UCLA with a time of 1:06.71 ... Was a participant in four different relay teams for USD showing great versatility ... Finished the season with second place in the 100 yard breaststroke B Final at the WAC Championships with a time of 1:06.87.

Graduated from SCOE high school... A member of the Santa Rosa Neptune's club team ... Undecided major... Came to USD for the team and coaches, academics and location... Also recruited by Syracuse University, University of the Pacific, UC Davis, and UMass... Born on March 27, 1986 in Santa Rosa, California... Daughter of Bill and Lynne of Santa Rosa.

## USD ATHLETIC FACILITIES

### The Jenny Craig Pavilion

The Jenny Craig Pavilion serves as home to the Toreros men's and women's basketball teams as well as the women's volleyball team. This 17.5 million dollar area has a seating capacity of 5,100 as has quickly garnered major attention from around the region, and the West Coast Conference selected USD as the site of the 2001, 2002 and 2003 WCC Basketball Championships, it has hosted the 2002 California Junior College Basketball Championships, the annual Kiwanis Basketball Tournament, the Darrell Russell Celebrity Charity Basketball game, the 2003 NFL Celebrity Basketball Game, the Official Super Bowl XXXVII Luncheon, and the 2004 Judo National Championships.

### Cunningham Baseball Stadium

The Cunningham Baseball Stadium serves as the home diamond to the USD Baseball team. Since its inception in 1970, the stadium has undergone several renovations. Prior to the 2003 campaign, the stadium received several significant additions. A "Turf Tech" synthetic grass surface was installed in the foul areas between first and third base. Secondly, a new press box was built at the top of Cunningham Stadium that keeps the central architectural theme of 16th century Spanish Renaissance alive. In addition, a new public address system has been added. The playing surface consists of "Bullseye" Bermuda grass and the dirt portion of the infield is crushed red brick. In 2006 the stadium received a brand new scoreboard.

### Torero Stadium

Torero Stadium serves as home to both the USD football and soccer programs. The stadium received renovations that were completed in 2001 to host the WUSA San Diego Spirit, with over \$3.5 million dollars spent to enlarge the seating areas and add spectator comforts. Torero stadium capacity is now 7,000. In 2001, the installation of the upgraded lighting system took place, and the final piece of the renovations was a Daktronics video board that plays movie clips and replays, as well as scoreboard information. The playing surface is "Bullseye" Bermuda grass, with soccer dimensions measuring 118 yards x 72 yards, with football conforming to NCAA regulations. In 2006, the field was named the "Walter J. Zabel Field at Torero Stadium."

### USD Softball Complex

The USD Softball Complex serves as the home diamond for the Torero softball team. The playing surface is "Bullseye" Bermuda grass, with the facility also including two batting cages that allow players to work on their hitting skills. A lighted LED Daktronics scoreboard sits over the right field fence and allows fans to be updated on game stats. Stadium seating capacity is 325, and spectators are also comforted by a full-service concessions stand and public facilities. The stadium is also lighted, enabling night games. In addition, a new public address system has been added, as well as a press box down the third base line.

## Swimming and Diving History

The University of San Diego program spent 25 years as a member of the Pacific Collegiate Swimming Conference (PCSC) before making the move into the Western Athletic Conference (WAC) as an affiliate member beginning in 2004-05. The inaugural season of USD's Swimming and Diving program was in 1979-80, competing in the PCSC under the guidance of Gary Becker, who would go on to serve as the Toreros head coach for 15 seasons (1978-93). In May of 1993 Bill Morgan (1993-99) was hired to direct the fortunes of Torero Swimming and Diving, and would later lead USD to the school's first ever PCSC Championship in 1997. Recognized for developing San Diego into one of the PCSC's top teams, Morgan was honored as the league's coach of the year twice (1995 & 1996).

Carolyn Gorrick, a native of Sydney, Australia, became the first USD swimmer to be named the PCSC Swimmer of the Year in 2001.

Mike Keeler succeeded Morgan in the fall of 1998 and needed just three seasons to win back-to-back PCSC Championships. By 2003 the Toreros staked claim to nine of the league's 20 individual records and Keeler had twice earned PCSC Coach of the Year honors (2000 & 2001). In addition to USD's success at the conference championships, 18 of San Diego's 19 school records have been established under Keeler's watch with 30 different student-athletes garnering recognition as All-PCSC performers from 1999-2004.

Former Torero star Carolyn Gorrick became the first USD swimmer to be named the PCSC Swimmer of the Year (2001) and diving standout Shannon Pace was a three-time winner of the PCSC Diver of the Year award (1998-2000). In 2003 then-Torero freshman Ashley Swart became the first USD swimmer to qualify for the NCAA Championships and single-handedly allowed USD a national team placing of No. 38 at the NCAA's. Swart's All-America season in 1993 was followed by another trip to the NCAA's in the spring of 2004 and 2006.

At the time of San Diego's departure from the PCSC in 2004, the league had 14 member institutions- nine located in the state of California. San Diego's move into the WAC promises to allow the Torero program to continue to develop. USD faces stiff competition in the years to come, with University of Hawaii headlining a list of top programs vying for the WAC Championship.

Formerly members of the Pacific Collegiate Swimming/Diving Conference, the Toreros earned numerous All-Conference honors during their time in the PCSC

## A MESSAGE FROM PRESIDENT MARY LYONS...

*The University of San Diego is very proud of the student-athletes that represent our institution on 16 men's and women's NCAA Division-I athletic teams. These are proud and serious competitors, honored to represent the University. The dedication you witness on the playing fields, on the court, on the course, or in the water is greatly matched in the classrooms, the laboratories, on stage, or in the community. Last year thirty-eight percent of our student-athletes carried a grade-point average above 3.2, and ten of our teams had a cumulative grade-point average above 3.0.*

*Athletics is vital to the University of San Diego, a way students, faculty, staff and alumni come together as one community. I am both a university president and a Torero fan; I look forward to sharing the excitement of Torero athletics with our many fans.*

### University of San Diego Mission Statement

The University of San Diego is a Roman Catholic institution committed to advancing academic excellence, expanding liberal and professional knowledge, creating a diverse and inclusive community, and preparing leaders dedicated to ethical conduct and compassionate service.

### University of San Diego Vision Statement

The University of San Diego is becoming a nationally preeminent Catholic university known for educating students who are globally competent, ethical leaders working and serving in our complex and changing world. The University of San Diego is a Roman Catholic institution committed to advancing academic excellence, expanding liberal and professional knowledge, creating a diverse and inclusive community, and preparing leaders dedicated to ethical conduct and compassionate service.

Ky Snyder  
Executive Director of Athletics

## KY SNYDER

### Executive Director of Athletics

Ky Snyder was named Executive Director of Athletics at the University of San Diego on December 10th, 2003. Dr. Mary E. Lyons, USD President, introduced Snyder who returns to USD where he was Director of Athletic Development from 1990 to 1996. He came back to USD from the San Diego International Sports Council where he held the position of President.

With the San Diego International Sports Council, Snyder's primary responsibility was to promote San Diego/Tijuana as the preferred region for sporting events and activities that benefit the community both economically and socially. Accomplishments of the Sports Council bid efforts during Snyder's tenure included securing San Diego the 1997 and 1998 ESPN Summer X Games, the Suzuki Rock & Roll Marathon, the 1999 Major League Soccer All-Star Game, the inaugural Bank of America/U.S. Olympic Cup, NCAA Division I Men's Basketball First & Second Round (2001) contests, the NCAA Division I Women's Volleyball Championships (2001) and Super Bowl XXXVII.

In the spring of 2001, Snyder was named the President of the San Diego Super Bowl XXXVII Host Committee. He is a member of the Board of Directors of the San Diego NFL Youth Education Town and the San Diego Super Bowl Task Force. Snyder was also the Executive Director of the San Diego International Sports Foundation.

Prior to joining the SDISC, Snyder was the Director of Athletic Development at the University of San Diego for six years. At USD he was responsible for establishing the Torero Athletic Association, fund-raising efforts for athletics, managing athletic special events and generating corporate sponsorship of athletics.

At USD he oversees an athletic department with sixteen NCAA Division I intercollegiate teams and approximately 400 student-athletes. He is responsible for all administrative, management and supervisory aspects of the Department of Athletics. Additionally, he oversees the strategic long-range planning and monitoring of budgets, personnel, programs, facilities, fundraising, promotions and marketing, and public relations for an NCAA Division I program consisting of eight sports for men and eight sports for women. He serves on the NCAA Division I Football Rules Committee, the West Coast Conference TV Committee, Marketing Committee and Women's Basketball Committee.

Snyder played football at San Diego State University. He holds a Bachelor's degree in Marketing from San Diego State University and has studied in the Master's Leadership Program at the University of San Diego. He is a guest lecturer at the University of San Diego's MBA Sports Management program and the SDSU Hospitality Management program. Snyder, who has been a San Diego resident for 25 years, has a very athletic family. His wife, Sue, was a former standout member of the United States women's national volleyball team who played at San Diego State and also coached the Aztecs and University of San Diego's women's volleyball teams. In addition, Snyder's father, Lester, held the position as President of the United States Tennis Association.

The Snyder's reside in Poway with their son Riley (age 14), daughter Sydney (age 11) and daughter Cammy (age 8).

## Academic Support & Student-Athlete Services

Sarabeth Pollock

Sarabeth Pollock begins her third year as the Coordinator of Athletic Academic Support for the University of San Diego. She has worked as a tutor in the Athletic Department since the fall of 2001. She serves as the academic advisor for all sports except Football and Rowing. Her responsibilities include the supervision of the Study Hall and the administration of the tutoring and mentoring programs.

Currently, the Academic Support Program employs over 25 tutors who represent a variety of majors across campus, as well as over 12 mentors who are graduate students pursuing their masters degrees in USD's Counseling Program. The Study Hall and computer lab are open for student-athlete use all year long; during the semester they are open 60 hours per week and provide a quiet, studious atmosphere to foster academic excellence.

Sarabeth graduated from USD in 2002 in the Honors Program, earning her Bachelor of Arts degree in Political Science and History. She speaks Spanish and French fluently. A 5th generation San Diegan, she resides in Point Loma with her family. In her spare time, Sarabeth enjoys working on her novel that she hopes to have published by the end of the year.

### ACADEMIC SUPPORT CENTER...

The USD Athletic Academic Support Program is designed to promote the academic development of student-athletes. The primary objective is to offer the necessary resources for the academic success of student-athletes as they work to earn their degree. Academic Support Services are designed to enhance the student-athlete's overall collegiate experience and encourage development and attainment of academic and career goals.

All USD student-athletes have access to advising, tutoring and mentoring services. The mentoring program, Torero Blue and MenTorero, were redeveloped in 2005 and team a graduate student in the counseling program with an athlete who would like to enhance study skills, learn about campus resources, receive guidance on goal development and attainment, and benefit from guided group study. Student-athletes also have access to a quiet area where they can study or work in the computer center. In addition, student-athletes are encouraged to utilize the campus learning centers including the Writing, Math and Logic Centers as well as to take advantage of the resources available to them in the Career Center, Counseling Center and Computer Labs.

*"The greatest challenge to a Division I athlete is to balance the demands of sport while taking full advantage of the educational experience offered. The purpose of our program is to assist student-athletes in meeting this challenge by offering tutoring, advising, mentoring and a quiet environment to study. The academic support program is designed to assist students in adjusting to life at USD and developing sound academic and career plans. By promoting a philosophy of individual responsibility, which encourages each student-athlete to value their educational experience, the academic support program assists each athlete to realize their full potential."*

## ATHLETIC PERFORMANCE TRAINING

Stephane Rochet

University of San Diego student-athletes receive elite coaching from their strength and conditioning staff in one of the premier weight rooms on the West Coast. With 5,000 square feet of floor space (plus an additional 1,600 square feet of turf), 16 all inclusive lifting stations and approximately 20,000 pounds of free weights, multiple teams can be simultaneously coached in a comprehensive strength and conditioning development program. Medicine balls,

dumbbells, gymnastics rings and various pullup stations are used to enhance the training provided for all 16 of USD's varsity sports. The USD strength staff advocates the use of ground based, multi-joint, explosive free weight exercises in the training of student-athletes. USD teams are taught the clean and jerk, snatch, squats, deadlift and the various barbell and dumbbell variations. By using the exercises, in combination with intense effort, we believe USD student-athletes will be well prepared to meet every physical challenge put to them in competition.

## USD SPORTS MEDICINE

The department of sports medicine operates under the supervision of the University of San Diego's designated team physician, Paul C. Murphy MD, the associate director of athletics for sports medicine, Carolyn Greer, associate athletic trainers, and assistant athletic trainers. The sports medicine facility is located in the Jenny Craig Pavilion and is for the exclusive use of the University of San Diego student-athletes. This 2,400 square foot facility has defined taping, rehabilitation, and hydrotherapy areas. In addition, there are a private treatment/exam room, offices and storage. The entire athletic training staff takes great pride in

Carolyn Greer

the services rendered to over 400 student athletes through this facility. The USD athletic training room is clearly the top sports medicine venue in the West Coast Conference.

## The Campus and the Academics...

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's architectural style. Under the leadership of Mother Rosalie Hill of the Society of the Sacred Heart and Bishop Charles Francis Buddy of the Diocese of San Diego, the University of San Diego began as separate colleges for men and women. The first classes met in 1952; the School of Law opened its doors in 1954. By the late 1960's it became clear that both colleges would benefit from combining academic resources, and in 1972 the University of San Diego became a single coeducational Catholic university.

Now governed by a board of trustees independent from the founding organizations, USD is a Roman Catholic institution that welcomes students, faculty and staff of diverse religions, traditions and remains dedicated to the values originally articulated by Mother Hill and Bishop Buddy. Students choose from more than 60 undergraduate and graduate degrees programs in academic divisions including the College of Arts and Sciences and the schools of Business Administration, Leadership and Education Sciences, Law and Nursing and Health Science.

Men aspiring to the Roman Catholic priesthood prepare for their vocation at the St. Francis Center for Priestly Formation. The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed numerous major construction and expansion projects. In 2000 the Jenny Craig Pavilion, a 5,100-seat athletic center, opened its doors as home to USD basketball and volleyball. Two years ago, the Joan B. Kroc Institute for Peace and Justice opened on the west end of campus, and in 2003 the Donald P. Shiley Center for Science and Technology opened. A five-story Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, con-

necting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

USD enrolls more than 7,600 students who have a choice of more

than 60 undergraduate and graduate degree programs. Admission to USD, which consistently ranks among the top schools in the nation, is highly selective. USD received more than 7,800 applications for approximately 1,100 undergraduate openings in Fall of 2005. The class of 2009 entered with a GPA of 3.74 and an average SAT score of 1176.

USD has earned recognition in such publications as the 2006 edition of The Princeton Review annual college guide as being one of the best colleges in the United States. The Princeton Review recently included USD as one of the nation's most socially conscious institutions in its book, *Colleges with a Conscience: 81 Great Schools with Outstanding Community Involvement*.

USD in 2003, joined the elite company of Phi Beta Kappa, the nation's oldest honor society. Nationwide, only about 10 percent of all colleges and universities have Phi Beta Kappa chapters. USD was granted membership to the Mortar Board National Honor Society in 2000.

In 2003, USD welcomed the addition of the 150,000-square-foot Donald P. Shiley Center for Science and Technology building, which provides an interdisciplin-

ary science facility serving every USD student as he or she completes science course requirements.

The Joan B. Kroc Institute for Peace and Justice, opened in 2001, is one of 10 comprehensive peace centers nationwide with facilities for major international peace efforts.

## SAN DIEGO, CALIF., AMERICA'S FINEST CITY!

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

The city has mostly avoided the evils of urban sprawl, which has allowed its downtown to remain vibrant, especially the Gaslamp Quarter. San Diego is also home to the world-famous San Diego Zoo as well as Sea World. The city is great for families, but for those without kids, there is a lot to do as well. San Diego is home to a number of military bases, primarily due to its location. In 1941, after the Pearl Harbor attacks, the U.S. established the headquarters of the Pacific Fleet in San Diego, and the city is now home to the largest air naval station on the west coast.

Unlike many cities, San Diego's airport is right next to

downtown, increasing its convenience even more. It is hard to believe that San Diego is the nation's sixth-largest city, it just retains a small town feel.

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams -- the NFL Chargers play at Qualcomm Stadium, and the San Diego Padres play at Petco Park. During college football bowl week, San Diego annually hosts the Pacific Life Holiday Bowl in late December.

During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay; followed by the World Series between the San Diego Padres and the New York Yankees. The Super Bowl returned to San Diego in 2003. Whatever sporting activity there is, it's here in San Diego -- the sports capital of the U.S.!
